# BIOGRAPHY

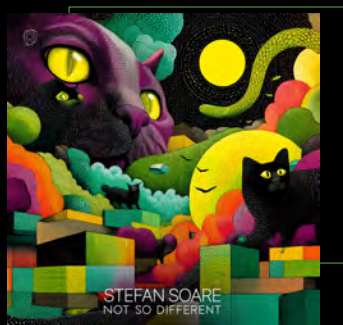

Bookers can choose between Stefan's signature DJ sets or his Live Performances built entirely from his own original and unreleased music. Each live show is a unique journey with his raw sound performed in real time. His focus is creating powerful, atmospheric experiences, blending emotional melodies with organic, evolving textures.

More than a performer, Stefan aims to connect sound with nature, using music to raise awareness and inspire a deeper sense of connection. He also supports promoters through his growing network of radio residencies across Europe, offering interviews, show announcements, and exclusive mixes reaching thousands of listeners.

Stefan Soare is a Copenhagen-based DJ/producer with over 14 years of experience. His latest Live appearances include two shows at ADE 2025, where he was selected as an Official Emerging Artist. His EP Eleutheria (Nemeton Records) reached #3 on Beatport's Melodic, while his most recent EP Not So Different (Asymmetric Recordings) entered the Top 9 across Melodic House and Techno.
